THE CITY OF HOPE OUTREACH

2017 Semi-Annual Report

EDUCATION
HOUSING
COMMUNITY DEVELOPMENT

The hope for the realization of human flourishing among men, women, and children in low income situations involves the opportunity of such individuals to possess land, sustainable lodging, holistic learning, and productive labor. Human flourishing originates from an accurate understanding of humanity's origin and purpose in the presence of a living God. When persons have opportunities to access and leverage land, possess safe sustainable lodging, participate in creative learning, and conducts labor which benefits self and neighbor individual human dignity is affirmed and societal structures are benefited.

Celebrating Ten Years

It is hard to believe we are celebrating ten years of serving with men, women, and children in the city of Conway. The last ten years have been a commitment to work with persons in low income and homeless situations in the efforts to provoke and cultivate hope. From our beginnings in Oakwood, to Brookside, and now South Ash, we have seen a number of human experiences which stand as symbols of human flourishing.

In the first six months of 2017 we have been blessed with a successful participation in Arkansas Gives raising over \$15,000.00. We are currently expanding our Brookside Community Center to accommodate the growth of CoHO Academy and neighborly participation. In April we had the opportunity to begin a long term partnership with First Presbyterian Church by expanding the CoHO Gardens to a fourth location.

As we head into the second half of 2017 we are looking forward to celebrating CoHO10, it is a celebration of the past and looking forward to the future. It is our firm belief we can carry out significant and powerful changes with the poor in Conway and throughout the cities of Greenbrier, Mayflower, and Vilonia. We want to raise \$75,000.00 towards the future work of quality educational support, housing, and community development in Faulkner County.

From the board of directors, staff, and Hope Communities, I say thank you for the prayers, financial support, and volunteerism which has accomplished great things for human beings.
